## Eagle Board of Review Committee Chair

Ted Guinn  
120 Old Stone Rd  
Norwich, NY 13815  
607-334-8568

## Leadership and Communication

As one of the major goals of an Eagle Project is to show Leadership on the part of the Scout, it is expected that all communication to the District Advancement Committee, Council office, potential donors and the community organization benefiting from the project will be from the Eagle applicant/candidate, not parents or Scoutmasters.

## Life to Eagle meetings

Life to Eagle meetings are held quarterly in March, June, September and December at the District Roundtable meeting at the Oxford High School.

## Project & Board of Review meetings

Project & Board of Review meetings are held the third Thursday of each month. Appointments must be scheduled with Ted Guinn in advance.

## Project & Board of Review Meeting Location

NBT Bank – *use entrance at back of building- map on last page*  
52 South Broad St  
Norwich, NY

## Attire

The scout is expected to wear his scout uniform to all meetings with the District Advancement Committee. A uniform should consist of a scout shirt and neckerchief and scout pants, if possible.

## 18<sup>th</sup> birthday

Tasks 1-10 must be completed by the scout's 18<sup>th</sup> birthday. Although the Board of Review meeting can be scheduled after the 18<sup>th</sup> birthday, we encourage applicants not to wait until the last minute to start the process. If problems arise it may be difficult or impossible to make any corrections after the scout turns 18.

***If any of these items are lacking, the scouts may be asked to return for a follow up meeting***

**FUNDRAISING**- Most Eagle Projects will require that money be raised to buy materials to complete a project. The following guidelines should be followed for raising those funds.

- While contributions may come from the candidate, his parents or relatives it is highly suggested that scouts plan and conduct a fundraiser to facilitate the project.
- The Fund Raising Application on page 17 of the workbook should be filled out prior to the Project Approval Meeting. The Chenango District Eagle Board of Review Committee will be responsible for approving that application.
- Fund raising should be done in uniform, a letter with a description and need for the project should be provided to the potential donor and should be followed up with a thank-you letter upon completion of the project.
- Donors to projects must be made aware of what entity is benefitting from the project, and that clearly it is not the Boy Scouts of America.
- Any funds raised for a project, and not needed/used for the project, must be returned to the donor or beneficiary.

**CERTIFICATE OF INSURANCE** -Many of the organizations that an Eagle Project is being performed for require a Certificate of Insurance form. It is your responsibility to ask the organization if they require a Certificate of Insurance. This form is available from the Baden-Powell Council office and can be provided to you if you contact them.

**MENTOR**- One member of our committee will be a mentor to the scout. This mentor can be contacted in case s/he has any questions, minor changes or needs advice throughout the project.
