

Is any Special Equipment Needed? An equipment list will be sent to each participant after their reservation is received. Youth who participate in an active unit outdoor program probably already have the necessary personal equipment. A complete official Boy Scout or Venturing uniform is required. Each participant should make sure that badges and insignia are properly placed and that the uniform is worn correctly.

What About Medical Forms? A medical history for all campers is required on a yearly basis. These are the same forms as used for Summer Camp and can be re-used for NYLT. All medical forms must have been completed within one year of the end of the course, 8/10/12.

Scouts who do not pre-register may not be able to attend the conference. The course has room for only a limited number of participants. If you are thinking of attending the course, please sign up early and reserve your place with a \$50 deposit.

NATIONAL YOUTH LEADERSHIP TRAINING CONFERENCE

Purpose: NYLT is an exciting, action-packed program that provides youth with leadership skills and experience they can use in their Troop, Crew, or Ship, and in other situations demanding leadership of self and others.

NYLT incorporates the latest leadership ideas and presents fresh, vital, and meaningful training for Scouts. The 6-day course centers around the concept of what a leader must BE, KNOW, and DO. These key elements are taught with a clear focus of HOW TO. There is emphasis on an immediate application of learning in a fun environment.

Course Participation Qualifications: Youth must be at least 13 years old (but not yet 18), and approved to attend by his **Scoutmaster or Crew Advisor**. He/She should be currently filling a Troop/Crew leadership position or will be, in the near future. It is expected that the Youth will have camping, cooking and hiking skills.

Location and Time: The conference will be held from August 5-10th, 2012 at Tuscarora Scout Reservation. The conference will be led by Course Director Fran Bialy and conducted by an excellent group of experienced youth and adult trainers.

**Please discuss this training opportunity
with your Crew Leadership, Patrol Leaders Council and
Troop Committee as soon as possible.**

It is very important that all reservations are sent to the Baden-Powell Council Service Center with full payment by July 31, 2012.

Scouting recognizes that Scoutmasters and Crew Advisors have the responsibility of training their own youth leaders. The purpose of the National Youth Leadership Training Conference is NOT to assume the leader's role, but to support it.

The conference's objectives are:

- Give youth the confidence and knowledge to conduct a youth-run program thus learning life skills
- Train youth in all aspects of effective leadership
- Guide youth through the stages of team development
- Enhance the relationship between the youth and adults leaders
- Create an environment of Scouting fellowship and fun guided by the Scout Oath and Law
- Experience Scouting at its best
